2. OBJECTIVES AND LEARNING OUTCOMES

Objectives

The main purpose of the course is to improve the students' verbal communication skills at C1 level, primarily by perfecting convincing presentation and reasoning techniques when using a foreign language in a personal and pro-fessional setting. To this end, we analyse topical TED talks and discuss relevant social and cultural issues.

Academic results

Knowledge

1. The students are familiar with the characteristics of structured presentations.
2. Based on the debates and the materials used, the students learn about certain features specific to Germany.

Skills

1. They are able to understand the gist of a problem, as well as arguments for and against various solutions from written or oral materials.
2. They are able to hold convincing and motivational presentations.
3. They are familiar with and apply strategies that can be used successfully for persuasion.
4. They are able to formulate their opinions which may differ from those of others; they are able to argue their case in a constructive way.

Attitude

1. The students are open to understanding the problems of German-speaking countries.
2. They strive to manage differences in opinions in a constructive way.

Independence and responsibility

1. The students take responsibility for improving their own language competence.

Teaching methodology

We use a lot of team work exercises, which provide ample opportunities for professional debates, problem solving and cooperation.

Materials supporting learning

- Aktuális célnyelvi anyagok: újságcikkek, videók, ezekre épülő feladatok/Topical materials in the target language: newspaper articles, videos and tasks built on them.

III. COURSE CURRICULUM

THEMATIC UNITS AND FURTHER DETAILS

Topics covered during the term

Aktualitások a német közélet alakulása alapján. A nyelvi tárgyak esetében nem készülnek részletes tematikák, mert a tárgy célja a készségfejlesztés, és nem egy adott (tematizálható) tudásanyag frontális átadása. Ez ad lehetőséget arra, hogy a tematika az adott csoport igényeihez igazodjon, a tárgy céljainak megfelelően.
