II. SUBJECT REQUIREMENTS

TESTING AND ASSESSMENT OF LEARNING PERFORMANCE

General Rules

Assessment of the learning outcomes described under 2.2. is based on two written mid-term tests ("summarizing study peformance tes

Performance assessment methods

- The complex written assessment of knowledge and skill competencies of the subject is based on two mid-term tests during the semester.

The tests focus on practical adaptation of the knowledge students gained in the learning process, which does not exclude testing theoretical

knowledge. The parts of the learning material for the tests are selected by the lecturer of the subject. Working time for test writing is 30 minutes/test.

Percentage of performance assessments, conducted during the study period, within the rating

- Summarizing study performance test 1: 50
- Summarizing study performance test 2: 50

• total: 100

Percentage of exam elements within the rating

Conditions for obtaining a signature, validity of the signature

According to TVSZ.

Issuing grades

Excellent	100
Very good	90–100
Good	80–89
Satisfactory	60–79
Pass	50-59
Fail	0-49

Retake and late completion

- As neither of mid-term tests determines pass marks, they cannot be retaken or made up for separately; stu- dents can retake for it only in the form of one contracted test paper during make-up period free of charge.

Coursework required for the completion of the subject

Participation in contact lessons 0
Preparing home assignment 10
Learning written learning material 52
total 90
