## 2. OBJECTIVES AND LEARNING OUTCOMES

### Objectives

The course is aimed to improve the students' writing skills. It equips them with the key characteristics of academic prose (theses, written materials to be submitted, scientific articles), while also helping them to become familiar with the typical genres and language use of economy and business (e.g. memos, reports).

### Academic results

#### Knowledge

1. • Students are familiar with the basics of written rhetoric in English.
2. • They are aware of the specific linguistic features of theses, scientific articles, reports, official emails and summaries.
3. • They understand the structure and organisation of the above types of texts.
4. • They are able to distinguish between the features of formal (academic) written and colloquial language in terms of vocabulary and grammar.

#### Skills

1. • They can produce academic prose.
2. • They are able to summarise longer technical articles.
3. • They can avoid the pitfalls of plagiarism.
4. • They can add in-text citations and bibliographies in the required formats.
5. • They can use the various reference managers and online collections (e.g. Zotero, MyBib, Academic Phrasebank).
6. • They are able to analyse charts, graphs and tables.

#### Attitude

1. • They strive to create high-quality, linguistically precise texts.
2. • They accept the written rhetorical conventions of the English-speaking world.
3. • They are open to use the latest online tools.

#### Independence and responsibility

1. • They take responsibility for improving their own written communication.

### Teaching methodology

The course focuses on improving writing skills, but also includes discussions in pairs or groups, as well as collaborative tasks in writing.

### Materials supporting learning

- A témák feldolgozásához előkészített videós és írott anyagok. - Video and written materials to be used for the various topics.
