Performance assessment methods

Tasks: completing class and homework assignments by the specified deadline. TDK: verified participation in the BME GTK Scientific Student Conference.

Percentage of performance assessments, conducted during the study period, within the rating

- Participation in the Scientific Student Associations' Conference (in any section advertised by the faculty): 100
- Class and homework assignments: 100
- Total: 100

Percentage of exam elements within the rating

Conditions for obtaining a signature, validity of the signature

Issuing grades

Excellent	95
Very good	86-94
Good	75-85
Satisfactory	65-74
Pass	50-64
Fail	0-49

Retake and late completion

The assigned tasks can be replaced or improved one by the specified replacement deadline.

Coursework required for the completion of the subject

Kontaktórák	28
Önálló munka	62
Összesen	90

Approval and validity of subject requirements

Consulted with the Faculty Student Representative Committee, approved by the Vice Dean for Education, valid from: 04.11.2024.

III. COURSE CURRICULUM
