## 2. OBJECTIVES AND LEARNING OUTCOMES

### Objectives

The aim of the course is to provide students with basic skills and knowledge so that they reach A1.2 level (CEFR) in Hungarian by the end of their two-semester studies. By the end of the second semester, students will be able to communicate in familiar, simple and well-practiced situations that require a direct exchange of information: primarily about themselves, their environment, place of residence and their studies. The course also aims to provide students with a basic knowledge of Hungarian culture and society.

### Academic results

#### Knowledge

1. The student is familiar with the grammatical system of the Hungarian language. He/she is familiar with the concept of objectivity, knows the types of objects, the basic functions of verbs, the regular forms of the past and the pronouns.
2. He/she has an ever-widening body of knowledge about the material elements of Hungarian culture and the well-known figures of Hungarian culture (writers, artists, inventors, historical figures, etc.).

#### Skills

1. The student understands the everyday communication twists and words at A1.2 level in topics related to his / her person, environment, place of residence.
2. He/she understands short, clear and simple messages.
3. He/she can read and understand very short and simple texts.
4. He/she is able to find the necessary pieces of information in short ordinary texts (eg brochures, timetables).

#### Attitude

1. He/she fits into Hungarian society more integrated as being familiar with the intercultural peculiarities manifested in the culture of Hungarian everyday life.

#### Independence and responsibility

1. He/she is an active participant in his/her own learning process and is able to sustain it in the long run.

### Teaching methodology

The course is based on blended learning: with two contact hours per week (2\*45 min) and two hours of autonomous learning (2\*45min), where students rely on materials provided by their teacher. In order to increase talking time during contact hours, team and group work methods are applied.

### Materials supporting learning

- Kurzuskönyv: Szita Szilvia – Pelcz Katalin, MagyarOK Kompakt, Pécsi Tudományegyetem, 2020 (5.-8. fejezet)
- A kurzuskönyvhöz tartozó, tanulást támogató anyagok / textbook materials supporting autonomous learning: <http://magyar-ok.hu/hu/home.html>
