II. SUBJECT REQUIREMENTS

TESTING AND ASSESSMENT OF LEARNING PERFORMANCE

General Rules

The assessment of the learning outcomes formulated in point 2.2 takes place in the form of a midterm test. 70% participation on the lessons is required.

Performance assessment methods

Detailed description of the performance evaluations carried out during the term: 1. Performance assessment: precision and content are evaluated in the test.

Percentage of performance assessments, conducted during the study period, within the rating

• performance assessment: 100

Percentage of exam elements within the rating

Conditions for obtaining a signature, validity of the signature

Issuing grades

Excellent	95
Very good	90-94
Good	80-89
Satisfactory	60-79
Pass	50-59
Fail	< 50

Retake and late completion

Retakes and make-ups are regulated by the University's Code on Education and Examination.

Coursework required for the completion of the subject

classes 28
preparation for classes 12
preparation for assessment 20
total 60

Approval and validity of subject requirements
