II. SUBJECT REQUIREMENTS

TESTING AND ASSESSMENT OF LEARNING PERFORMANCE

General Rules

The assessment of the learning outcomes formulated in point 2.2 takes place in the form of four midterm tests, written performance measurements (partial performance assessment) and optional partial performance assessment (being active).

Performance assessment methods

Performance assessment: the part of the curriculum on which the assessment is based is determined by the lecturer, the available working

time is 20-25 minutes. There is no minimum score to be achieved for each performance evaluation. Optional partial performance assessment:

the method of completion, the amount of the scores that can be obtained are determined by the lecturer. In each section, the sum of the summative academic performance assessment and the partial performance assessment may not exceed 25% of the maximum assessment of the subject.

Percentage of performance assessments, conducted during the study period, within the rating

- 1st performance assessment/1st partial performance assessment (being active): 25
- 2nd performance assessment 2nd partial performance assessment (being active): 25
- 3rd performance assessment 3rd partial performance assessment (being active): 25
- 4th performance assessment 4th partial performance assessment (being active): 25

Retake and late completion

There is no individual minimum requirement for each midterm, but it is possible to retake them individually at the dates announced at the beginning of the semester. A maximum of two midterms can be retaken and improved, and applications must be made in advance for

these occasions. Due to its nature, active participation cannot be retaken, improved, or otherwise replaced. Up to two of the four midterms may be replaced or improved free of charge at the date announced at the beginning of the semester. In case of make-up, the new result is taken into account. There is no other retake option than the above mentioned ones.
