Validity of the Subject Description

Approved by the Faculty Board of Economic and Social Science (30.01.2019.) with the 6th decision on the 580063/4/2019 registration

number that is valid from 30.01.2019.

2. OBJECTIVES AND LEARNING OUTCOMES

Objectives

The subject is designed to give the students a broad overview of financial goals and assets of corporations (PLCs), to get them acquainted with project evaluation techniques and methods for supporting decision making. Students will examine financing opportunities and decision methods for corporations, investors' considerations, the relation between yield and risk. Developing this course syllabus, we have aimed to cover module V (Corporate finance) of the international CFA (Chartered Financial Analyst) exam. Teaching focuses on enabling students to adapt their theoretical knowledge in practice.

Academic results

Knowledge

1. financial goals and assets of corporations,
2. evaluation methods for corporate investment and financing decisions,
3. processes providing basis for the evaluation of assets on financial markets,
4. evaluation methods of corporate projects,
5. financial contexts of decision-making processes.

Skills

1. plan and organize independent learning,
2. comprehend and use the professional literature of the topic,
3. recognize the contexts behind financial decisions,
4. do calculations that support decision-making.

Attitude

1. are open to learn about and adapt innovations in finance,
2. collaborate with their instructors and peers during the learning process,
3. gain knowledge and information,
4. make use of ICT tools.

Independence and responsibility

1. are open to accept reliable critical remarks
2. collaborate with other students in performing assignments during the learning process
3. are able to make independent decisions
4. are capable of making informed judgements in the financial decision-making processes
5. can weigh the significance of their responsibilities and foresee the consequences of their decisions

Teaching methodology

Lectures, verbal and written communication, use of ICT tools and techniques.

- Lecture slides which will be uploaded continuously during the semester.
- Bethlendi András – Molnár László – Somogyi Róbert: Business Economics. BME GTK Finance Department teaching material.
- Bodie - Kane - Marcus: Investments (10th edition), McGraw-Hill, 2014.
- Brealey, R. - Myers, C.S. - Allen, F.: Principles of Corporate Finance, McGraw-Hill, 2008.

II. SUBJECT REQUIREMENTS

TESTING AND ASSESSMENT OF LEARNING PERFORMANCE

General Rules

Assessment of the learning outcomes described under 2.2. is based on a written exam.

Performance assessment methods

- The complex written assessment of knowledge and skill competencies of the subject is based on written exam at the end of the semester.

The test focuses on practical adaptation of the knowledge students gained in the learning process, not excluding testing theoretical knowledge. The parts of the learning material for the tests are selected by the lecturer. Working time for test writing is 60 minutes, the maximal number of points is 100.

Percentage of performance assessments, conducted during the study period, within the rating

- **Additional points for active participation in lectures:** az elért pontokhoz hozzáadódik + 10 points, if pass or above, added to the points achieved

Percentage of exam elements within the rating

- **Written exam at the end of the semester:** 100%

Conditions for obtaining a signature, validity of the signature

Az aláírás megszerzésének a TVSZ-ben rögzített általános szabályokon túl nincs feltétele. A megszerzett aláírás a TVSZ szerinti időtartamig érvényes.

Issuing grades

Excellent	95%-110
Very good	87-94
Good	75-86
Satisfactory	63-74
Pass	50-62
Fail	0-49

Retake and late completion

Correction and replacement is according to TVSZ.

Coursework required for the completion of the subject

Participation in contact lessons	24×4= 96
Written learning material	24
Preparing for the exam	30
total	150

Approval and validity of subject requirements

Consulted with the Faculty Student Representative Committee, approved by dr. Lógó Emma, Vice Dean for Education. Valid from February 1, 2021

III. COURSE CURRICULUM
