II. SUBJECT REQUIREMENTS

TESTING AND ASSESSMENT OF LEARNING PERFORMANCE

General Rules

Assessment of the learning outcomes described under 2.2. is based on one written end-term test. The assessment includes the right solution of the non-mandatory home works.

Performance assessment methods

Detailed description of assessments during the term: 1. Summarizing academic performance evaluation (indoor dissertation): a complex, written evaluation of the subject and knowledge, ability-type competency elements during a semester from an indoor dissertation. The dissertation consists of a short conceptual and a longer explanatory, problem-solving part, the time available for their solution is approx. 25-30 minutes

Percentage of performance assessments, conducted during the study period, within the rating

- 1. summary study performance evaluation: 50%
- 2. summary study performance evaluation: 50%
- total: 100%

Percentage of exam elements within the rating

Conditions for obtaining a signature, validity of the signature

Issuing grades

Excellent	90-100
Very good	85-90
Good	75-84
Satisfactory	65-74
Pass	50-64
Fail	0-49

Retake and late completion

1) The summary academic performance assessments can be replaced or improved individually free of charge during the replacement period.

In the case of correction, the more favorable of the previous and the new result for the student is taken into account. 2) The homework (essay and presentation) - in addition to paying the fee specified in the regulations - can be sent late in electronic form by 12 noon on the last day of the replacement period.

Coursework required for the completion of the subject

részvétel a kontakt tanórákon	14×2=28
félévközi készülés órákra	16
felkészülés a teljesítményértékelésekre házi feladat elkészítése	2×4=8
összesen	60

Approval and validity of subject requirements

Approved by the Faculty Board of Faculty of Economic and Social Sciences before 2017, it will be re-checked on September 2021.

III. COURSE CURRICULUM
