# 2. OBJECTIVES AND LEARNING OUTCOMES

#### **Objectives**

The course is aimed to enhance the language competency of students who intend to proceed with their university studies in English in Hungary or abroad. The main objective is to focus on language skills required for studies in English in a higher education environment.

#### **Academic results**

#### Knowledge

- 1. Students are familiar with the basics of written rhetorical conventions of the English-speaking world.
- 2. They are aware of the specific linguistic features of official emails, summaries and essays.
- 3. They understand the structure and organisation of the above types of texts.
- 4. They are familiar with the basic notetaking techniques.
- 5. They are able to distinguish between the features of formal written and colloquial language in terms of vo-cabulary and grammar.

#### Skills

- 1. They are able to write emails in a higher education setting, according to the given situation and participants of the communication.
- 2. They understand the main line of thought of more complex texts with specific or abstract topics, including the professional conversations in their respective specialist areas.
- 3. They are able to summarise longer technical articles.
- 4. They are able to follow university lectures and take notes on them.
- 5. They are able to elaborate on their thoughts regarding their studies in a structured written form.

#### Attitude

- 1. They are open to information exchange tailored to the given sociolinguistic situation, in a higher education setting.
- 2. They strive to create high-quality, linguistically precise texts.
- 3. They accept the traditions of written rhetoric in English.

#### Independence and responsibility

- 1. They are able to correct their own written texts according to the remarks of their professors or peers.
- 2. They take responsibility for improving their own written communication.

#### **Teaching methodology**

The emphasis is primarily on writing skills, but other skills are also developed throughout the course, therefore a wide variety of teaching techniques are used: conversation in pairs and groups, collaborative writing tasks, working with videos in a cooperative setting. In the lessons the students will be given plenty of opportunities to share their experiences and opinions verbally, both in the form of small group discussions and larger joint discussions.

#### **Materials supporting learning**

A témák feldolgozásához előkészített videós és írott anyagok. - Video and written materials to be used for the various topics.
